From the Pastor's desk... —

*Joy comes after Forgiveness!*

Joy comes after forgiveness. The big dilemma with unrepentant humanity is that they go on in life trying to find joy without being cleansed of guilt. They want to laugh, but all their laughter carries the hollow echo of unresolved life issues. They try many things in their effort to obtain joy and gladness.

Like pouring good milk in with sour milk, trying to discover happiness without forgiveness of sins will never sweeten one's life. Rather, we must dump the spoiled contents of our sinful lives at the cross of Christ. Then God can fill us with the milk of His goodness. What lightness and happiness a person experiences who has found the **freedom of forgiveness!**
